Via Mariani 69, Catania

About Me

Computer Scientist with a strong background in Machine Learning, Computer Vision, and Software Development. Experienced in developing and deploying AI solutions, managing CI/CD pipelines, and designing scalable microservices and web applications. Passionate about solving complex problems through innovative technologies and motivated to contribute to impactful projects while continuously expanding technical expertise.

Skills

- Computer Vision
- Machine Learning
- Deep Learning
- CI/CD Pipeline Management
- Web Services & Microservices
- Testing & Quality Assurance

Languages

Work Experience

Research Assistant 2026 – Present University of Catania

Research activity within the IP Lab research group at the Department of Mathematics and Computer Science, University of Catania.

DevOps Engineer 2024 – 2025 REETURN SRLS

Managing CI/CD pipelines for Crédit Agricole. Using technologies such as Jenkins, OpenShift, Azure DevOps, and Kubernetes

Software Engineer 2022 – 2024 AITHO SRL

Developing software in the fintech sector. Using technologies such as Java, Kafka, Spring Boot, SQL, JUnit, and REST API.

Education

Master's Degree in Computer Science 2023 – 2025 University of Catania 110 with Honors

Fundamentals of Data Analysis, Machine Learning, Deep Learning, Natural Language Processing, Computer Vision, Algorithms, and Data Structures.

Master's thesis on advanced computer vision techniques for paper document authentication via backlighting, achieving accuracy beyond the state of the art

Bachelor's Degree in Computer Science 2020 – 2023 University of Catania 110 with Honors

Algorithms and Data Structures, Databases, Networking, Operating Systems, Software Engineering.

Bachelor's thesis on plant leaf species identification through color similarity analysis using the k-means algorithm.

High School Diploma in Computer Science 2016 – 2020 IT Archimede 100 with Honors

Object-Oriented Programming, Operating Systems, Networking and Security, Database Management

Personal Data Processing

I authorize the processing of my personal data in accordance with Legislative Decree 196 of June 30, 2003, and GDPR 679/2016.
